

All BCB product labels identify whether ingredients made from any of the eight major food allergens in the United States are added to our products. As a handy reference, we've compiled the chart below that shows this information for all the ingredients included in our products. We also address other substances to which some consumers may be sensitive and whether or not they are included as ingredients in our products.

Bazooka Candy Brands	Country of Origin	ALLERGEN																											Other Food Substances To Which Some Consumers Are Sensitive											
		Fish			Shellfish			Milk			Egg			Tree Nuts			Peanuts			Soy			Wheat			Sesame Seeds					Mustard			Sulfites (≥10ppm)
